Discover something new on every visit to the transformed and welcoming **Golden History Museum**. Uncover the past while browsing historic photographs. Meet legendary people who have changed the face of Golden. Relive the epic events of the town's last 150 years.

Still need more? Our research lab has you covered with both new and rare books, maps, and a lifetime of digitized newspapers. Also check out the three-acre **Golden History Park** just across the creek to feed the chickens and transport yourself to an 1800s homestead.
